<p><Mr. Elkins called to inquire about the status of the Agency's response letter (regarding the definition of "byproduct" under the HAPs role) to his client, BP. I told him that the letter had been sent out, and that I was in the process of preparing fax transmittal sheets for him and for Dr. Rudolph Breglia of BP. A few minutes after our conversation, I faxed the letter to Breglia and Elkins.</p>
